### Employment Opportunity

#### Health Director

#### Summary

Black River Health Centre is seeking a highly motivated experienced, career minded, mature individual with strong values and leadership skills for the position of Health Director. Under the direction of the Director of Operations the Health Director will oversee the overall operation of the Black River Health Centre and the delivery of all community-based health services and programs.

#### Qualifications & Experience

- Undergraduate degree in a relevant health field from a post-secondary institution.
- Be accountable for the financial management of the health programs including budget development, approvals and financial reporting monthly/quarterly/annually as required.
- Minimum 4 years Senior Management experience in Administration and a strong financial background as related to the position.
- Maintain a professional Code of Ethics when providing direct services to members and their families who are seeking internal and external services.
- Proven skills to interact effectively with employees in order to direct work flow, assess performance and assign duties.
- Strong interpersonal skills and demonstrated ability to communicate effectively with all levels of staff, management and partners.
- Computer literacy, including effective working skills of MS word, Excel, PowerPoint, and Adobe products and email.
- Working knowledge of the Department of Indigenous Services Canada, Health Canada and all funding agreements associated with Black River.
- Excellent leadership abilities to work within complex multidisciplinary environments.
- Promotes the use of data, research and performance indicators to advance the health priorities from the community health plan.
- Conflict resolution training is an asset.
- Manitoba Driver's Licence and vehicle is a requirement.

#### How to apply

Please Submit a Cover Letter with resume, (3) references along with your satisfactory clearances of Criminal Record Check, Child Abuse Registry Check, Adult Abuse Registry Check. Incomplete applications will not be considered. Only those selected for interviews will be contacted.
